

C.D.T.S.A. - NEW MEMBER INFORMATION

If you are interested in becoming a member of our shooting range, please read the following information;

Our outdoor ranges are self-supervised and are open from 9:00 A.M. till Dusk or 9:00 P.M. (whichever occurs first), 7 days a week. We feature a 100 meter and 50 meter Rifle range, a 25 meter Pistol (handgun) range, an unsupervised and a supervised Shotgun range (for clay targets) as well as a 40 yard Archery range. We also have a heated clubhouse.

Download the club rules from the web site and read them carefully.

A new member is required to submit a completed application form along with the required fees to the address listed on the top of the application form.

We will process your application and contact you to arrange a meeting at the Shooting Range for an orientation session and rules/procedures review with one of our Executive members. Orientations are generally held monthly or more frequently as the weather permits.

After completing the orientation session, you will be required to sign an orientation checklist form and you will receive your membership card at that time.

Note: Your membership has a probationary period of six months. During this time, Guest passes will not be available to new members. An executive member may override your probationary period conditions if you prove yourself competent. This can most easily be accomplished by participating in any of the scheduled events.

If you have additional questions, please call the club phone at 275-3257 or e-mail to: president@cdtssa.org

We look forward to seeing you at the range!
